

INCLEMENT WEATHER PROCEDURE DENTAL/DENTAL HYGIENE EXAM

In the event of inclement weather, the Division of Professional Regulation and the Board of Dental Examiners will abide by the inclement weather policy of Delaware Technical and Community College Stanton/Wilmington Campus. Follow the instructions regarding the notification procedures listed on the website below or call the inclement weather line listed below.

DTCC Stanton/Wilmington Inclement weather page:

http://www.dtcc.edu/news_events/#weather

(Stanton/Wilmington Campus information is at the bottom of the page.)

DTCC Stanton/Wilmington Inclement weather line: (302) 577-5555

If you are unable to get to the testing location due to adverse weather conditions in your home area, please notify the Board office immediately.

CALL (302) 744-4500. DO NOT EMAIL THE OFFICE.

When the inclement weather in your area has been verified, you will be automatically rescheduled to sit for the next available exam date. See the table below:

Original Exam Date	Next Available Exam Date
January 8, 2009	January 15, 2009
January 15, 2009	TBA – May/June 2010

NOTICE: Due to the limited space available, all candidates will be scheduled on a first come, first served basis.
